

SMT. BELLABEN & SHRI YOGESHBHAI PATEL EYE HOSPITAL, VATRAK, DIST ARAVALLI, GUJARAT

JOINT PROJECT OF:

**BLIND PEOPLE'S ASSOCIATION (INDIA)
K.K.SHAH SABARKANTHA AROGYA MANDAL
SAMTA VIKAS CHARITABLE TRUST, AHMEDABAD**

In just a span of 18 years the BPA Porecha Eye Hospital has already conducted more than 1,00,000 cataract surgeries and treated more than 5,00,000 outdoor patients having different eye ailments. The BPA in collaboration with the Samata Vikas Charitable Trust has started a Cataract Free Sabarkantha Campaign known as "Motiyan Mukht Sabarkantha". Under this campaign more than 13000 cataract surgeries have been performed and sight saved. Vision Centres have been set up in Vatrak, Modasa, Bhiloda, Kalol, Bavla, Dholka, Matar, Mehmedabad and at BPA. The hospital has been bringing the patients for surgery from remote villages of Sabarkantha and Aravalli districts to Bareja for surgery. The local community decided that an eye hospital was needed locally for the benefit of patients of Sabarkantha.

The K.K. Shah Sabarkantha Arogya Mandal at Vatrak, District Aravalli offered the Blind People's Association 9181 sq. meter land free of cost for use for setting up the eye hospital. This land is on the Modasa-Bayad Highway, very close to the Trust hospital at Vatrak. This project is part of a triangular partnership between the Blind People's Association, K.K. Shah Sabarkantha Arogya Mandal and Samata Vikas Charitable Trust. Our donors in the USA and in India like Bellaben & Yogeshbhai and Dineshbhai responded immediately. Their generosity was followed by our committed donors who rushed in to support most parts of the hospital. The detailed list of donors and the dedicated spaces in the hospital are given ahead in the Brochure.

The Architect Shri Jwalantbhai Mahadevwala and his team at And Black Studio have visited the site many times and have drawn up plans in consultation with the Core Committee of the hospital. The plan has the Eye Hospital with Ground Floor plus 2 Floors and a similar adjoining building of the Bhojanshala will also have ground plus 2. The Eye Hospital building will have OPD and diagnostic facilities on the ground floor, ward and other services and surgical and operation theatre facilities, plus dormitory and special rooms and one ward on the first floor. The laundry facility will be available on the second floor along with solar panels. The Bhojanshala building will have the Bhojanshala on the ground floor. Training Unit will be on the first floor and staff quarters will be on the second floor. This eye hospital will serve lakhs of poor and needy people from Sabarkantha, Aravalli and neighbouring state of Rajasthan to get premier eye care at no cost. This will be the first such hospital in this area. The local community will help in mobilization of patients and other resources for the successful implementation of the project.

ROOMS DETAILS AT THE HOSPITAL

SMT. BELLABEN & SHRI YOGESHBHAI PATEL EYE HOSPITAL, VATRAK

(Promises of donors are regarded as booked rooms and highlighted in colours)

OTHER DONATIONS RECEIVED:

Rs.1 ,00,000 already received from

1. Smt. Minaxiben PN Shah

2. Shri Vasantbhai Sankalchand Shah USA (\$1400 in SBI received)

3. Smt. Nilaben Hasmukhbhai Shah

- Commitment Received In memory of Late Gunavantbhai Shah by Shri Sachin Shah for water coolers
- Shri Kanubhai M Shah (Vadagam) and another donor had committed Rs.50,000 at Vadagam meeting. This donation will be used for purchase of equipments
- Phaco Emulsification Machine with two handsets worth Rs. 20,00,000 has been promised by Dr. Dineshbhai C. Shah, USA (Gabat)
- Chair Unit worth Rs. 1,25,000 has been promised by Shri Rohit Natavarlal Shah

PROGRESS OF THE PROJECT:

The ground breaking ceremony of the Hospital took place on 2nd February 2020 and the year was spent in slow progress due to covid . All necessary municipal and legal formalities related to land and building permission including change of objective in use of land were undertaken. The building plans were drawn up and approved by the local authority. The architect also drew up the final plans for the construction and also the civil plans were drawn up. The electric connection, the water bore are now operational. The shed for storing materials, temporary toilet and adjoining office have been set up. A road for material movement has been developed. The boundary wall work which was a big job is now complete. Purchase of raw materials for the building has already taken place. The local community has provided grit and kapchi free of charge.

The tendering process has been completed and the work has been assigned to a young civil engineer called Parth Patel and the construction work has been started from 18th November 2021 and will be hopefully completed by January 2023. There have been several meetings of the Hospital Core Committee and they have noted the progress and provided their suggestions. The building construction has gone on smoothly and the BPA, SVCT and KKSSAM Trustees have visited the site regularly. Recent photographs are attached here.

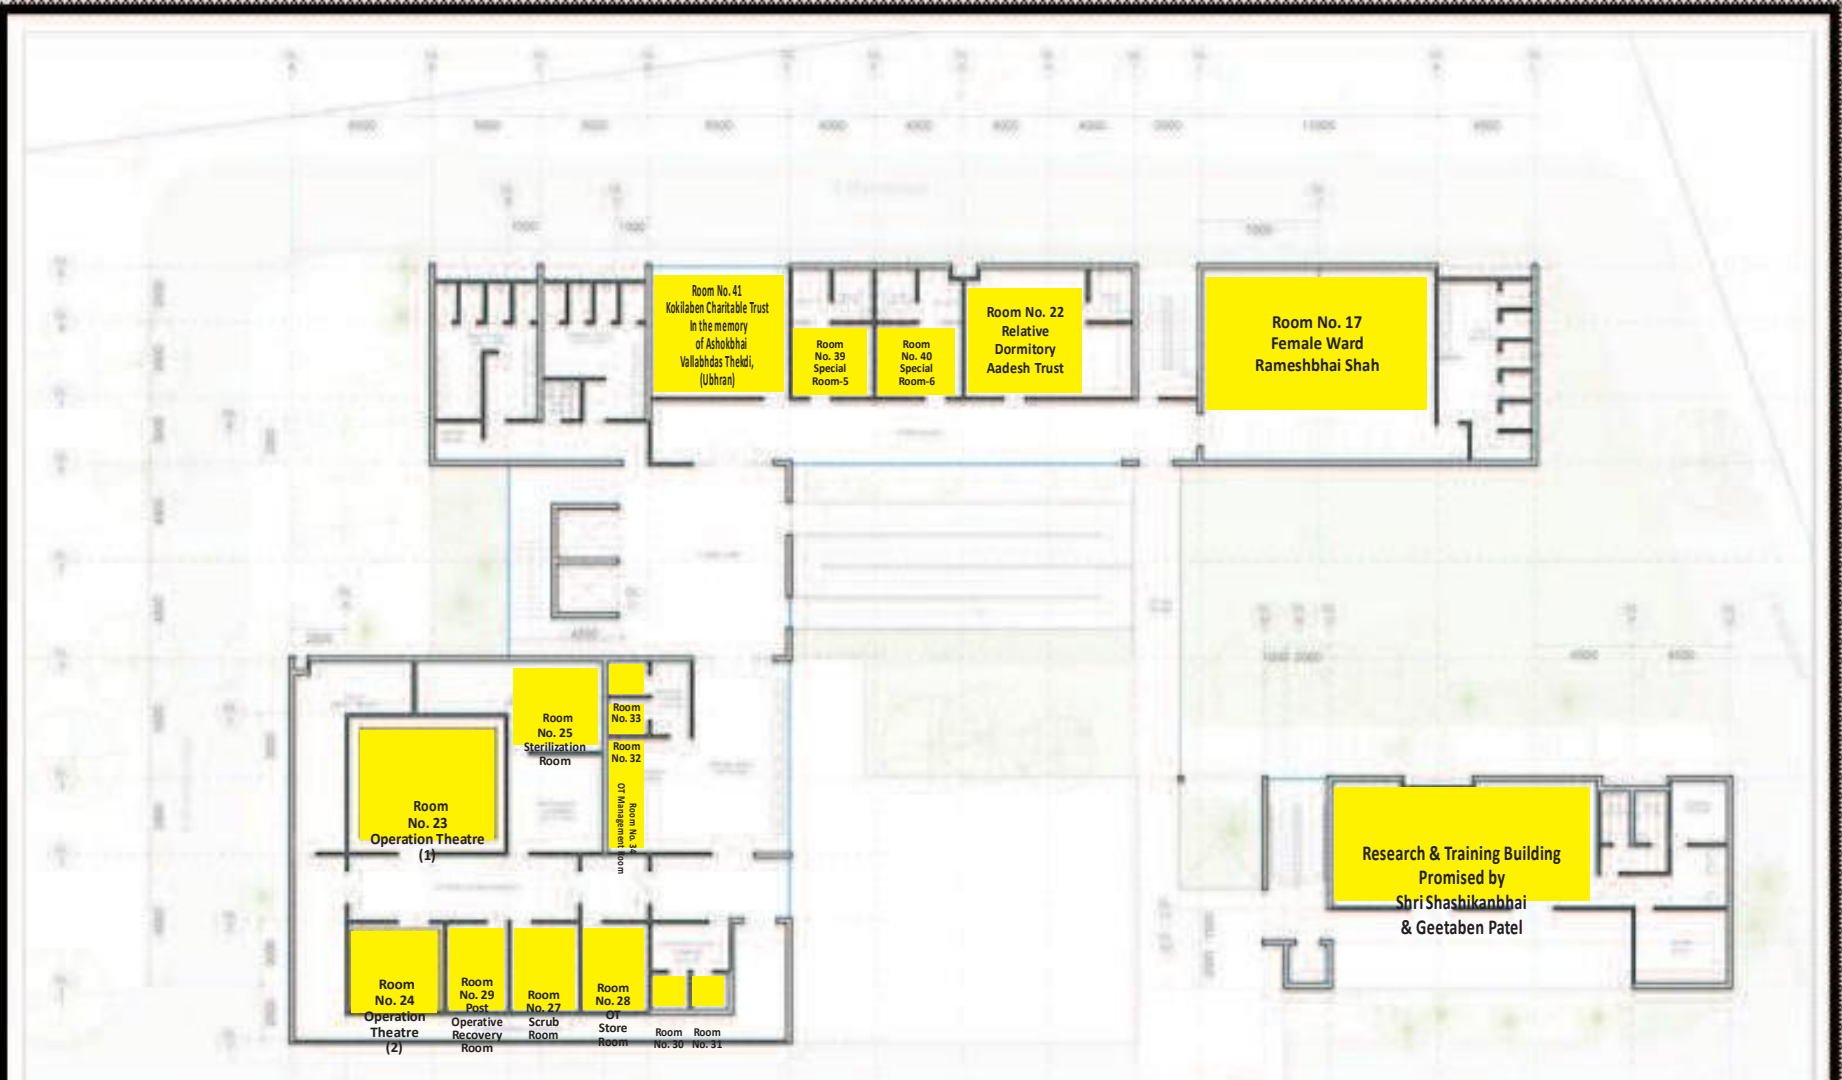

The hospital now looks forward to whole hearted and generous support from donors.

PHOTO FROM DHARMENDRA TO BE ADDED

REQUEST TO DONORS:

Donations for Corpus funds are welcome. The Fund will be capitalized and only the interest will be spent for operations/ other purposes. Donors can also sponsor food or cataract surgery for specific dates. We need funds for purchase of machinery and equipments. The list is given at the end of the Brochure.
